Sailing on board of our spacious catamarans, designed especially for day-charter, you will enjoy a fascinating sailing and anchoring in exclusive and secluded coves with turquoise crystal-clear waters. We provide snorkelling equipment for free to enjoy the most beautiful seabed and its variety of fish (€ 10 deposit).

We offer a funny package of water activities consisting of rings and banana during three hours. Due to its greater flexibility we offer you a boarding and disembarkation service in other ports that are not our base ports, subject to authorization and payment of the corresponding fee, or in coves by inflatable boats only in the Costa Brava.

On board of our catamarans you can enjoy different types of excellent meals, among which we wish to emphasize our freshly prepared barbecue, much appreciated by our customers.

For the season 2020 we operate with five catamarans in Majorca.
